

MERCY SUPPORT CENTRE FOR PARENTS AND BABIES

Mercy Family Birthing Unit provides further support after going home through the Mercy Support Centre for Parents and Babies.

The aim of the Support Centre is to extend quality, optimum care to both parents and babies, by experienced Midwives.

- To support women in breast-feeding management, mothercraft techniques and settling techniques
- To supervise breast-feeding – observing position, technique and to offer advice regarding breast-feeding
- To assist with unsettled infants
- To advise with regard to reflux and colic problems
- To offer post natal distress support
- To refer you to the appropriate health professionals for further treatment as necessary
- To ensure correct consistent advice is given
- To provide valuable reference resources: Videos, books, pamphlets.

This is a FREE parenting advisory service for all women who have their babies at Mercy Family Birthing Unit for up to eight weeks post-delivery.

Open Monday to Thursday, 8.00 am - 3.30 pm

For appointments telephone the Mercy Family Birthing Unit on (08) 9370 9420.

If the problem is urgent - (e.g.mastitis) we will endeavour to see you immediately. The Midwives and Lactation Midwife will notify your doctor of attendance at the centre.

Please allow for a 1-2 hour stay at the centre.

ARRANGING YOUR STAY

Prior to making a booking, parents are welcome to tour all areas of the Mercy Family Birthing Unit, where you can meet our team and view our modern facilities.

Booking forms are available from your doctor or telephone the Mercy Family Birthing Unit on (08) 9370 9420.

Childbirth Education and Parenting Classes

We offer childbirth education and parenting classes that provide information about parenthood and assist you and your partner in the birth and care of your new baby. Specifically designed classes are available for first-time parents and those that have had a previous birthing experience.

For more information telephone the unit on (08) 9370 9420.

DURING YOUR STAY

Delivery Suite

Our birthing suites offer modern spacious accommodation, a lounge area and individual ensuite, bathroom with double showers and a large bath.

Your partner or support person is most welcome and is encouraged to participate in your birthing experience. Complimentary meals are provided to your partner or support person while you are in labour. Our experienced midwives will support you throughout your birthing experience.

Post-Natal

The Mercy Family Birthing Unit contains single private rooms and shared rooms. Most rooms have a double bed, allowing partners and other children to stay should you wish. Meals are also available for your partner at a small cost. All rooms have an ensuite, telephone (with your own direct number), television, piped chilled water and mini-fridge.

At a nominal cost, semi-self-contained motel units are available within the hospital grounds for friends and family, and are only minutes away from the Mercy Family Birthing Unit.

Our Midwives and the Lactation Midwife are available to assist you with breast-feeding during your stay and on discharge.

Mercy Physiotherapy offers a range of services for you during your stay and post pregnancy. For further details telephone Mercy Physiotherapy on (08) 9271 9422.

SPECIAL CARE NURSERY

Our Level 2 Special Care Nursery has the latest technical equipment to care for sick and pre-term infants.

Our Midwives have extensive experience ensuring a high standard of care at all times.

DISCHARGE TIMES

When you are ready to leave the Hospital we request that you vacate your room by 10.00am. Should you need to make arrangements to leave at a later time, please enquire with your midwife with regard to late checkout procedures.
