MERCY SPECIALIST DIRECTORY

SPECIALISTS, FACILITIES & SERVICES

The Mercy Vision, Mission & Values

MERCY VISION

Our Vision is for a world where God’s abundant love and mercy is celebrated by all and where every person has access to justice, equity and opportunities for wellbeing.

We realise this Vision by working together in the spirit of the Gospels and with the ideals of Catherine McAuley. We cherish our Vision as an inspiration for our decision making and as a motivation for our service.

MERCY MISSION

Our Mission is to bring compassion to life.

We align ourselves with the life-giving Mission of Christ through practical acts of mercy and by responding energetically to the changing needs of people in our community. Through quality, caring services and through advocacy, we work for justice and we support people to enrich their lives. Our core commitment is to those who are vulnerable and distressed in times of disadvantage.

MERCY VALUES

We hold the Values of Respect, Justice, Compassion, Integrity and Excellence to be central to our culture and to the achievement of our Vision and Mission.

We demonstrate these Values in our creative responsiveness to social need; our persistence in the face of challenge; our commitment to human dignity; and our hospitality to all.

Appreciating our diversity, we work together to create a climate of trust and collegiality so that in our relationships with each other and with those we serve, we honour each person’s gifts and work.

General Wards

The single and shared rooms are beautifully appointed with modern patient facilities, supported by state-of-the-art monitoring and response equipment to assist nursing care.

Mercy Day Surgery Unit

The purpose-built, 20-bed Mercy Day Surgery Unit provides a very comfortable, relaxed environment conducive for day patient recovery, and is staffed by highly experienced Nurses.

The Mercy Day Surgery Unit provides day surgery care for a wide range of specialities, including Orthopaedics, ENT, Gynaecology, Paediatric Surgery, Oral Surgery and Plastics. The Unit also incorporates a designated Urology Procedure Clinic, providing specialised day patient Urology Services, including Flexicystoscopy and Urodynamics.

Mercy Endoscopy Unit

The Mercy Endoscopy Unit provides a full range of diagnostic and therapeutic endoscopy procedures for in-patients and day patients.

The beautifully appointed, purpose built unit boasts magnificent views over the Swan River. It has two procedure rooms and a ten-bed recovery room. The Unit uses state-of-the-art technology and is staffed by highly skilled gastroenterology Nurses.

Mercy Family Birthing Unit

The Mercy Family Birthing Unit offers a combination of intimate home-style accommodation, personalised attention and modern clinical facilities. Many rooms have extensive views of Perth CBD and the Swan River. All private rooms have double beds enabling parents to stay together for the duration of their stay at this very special time.

The Birthing Suite offers modern spacious accommodation, a lounge area, individual ensuite bathrooms with double showers and a large bath.

The Unit has a Level-2 Special Care Nursery and provides antenatal, intrapartum, postnatal and neonatal care. Other services such as antenatal classes, a booking clinic, a Lactation Midwife and a parenting advisory clinic are also available.

Mercy Restorative Unit

Located on the Hospital campus, the Mercy Restorative Unit is a public-patient 24-bed facility run in conjunction with Royal Perth Hospital. This beautiful purpose-built Unit has been established to service the specific needs of patients in the inner Perth metropolitan area. It incorporates a Day Hospital for out-patients requiring ongoing medical assessment and/or rehabilitation therapy.

Ursula Frayne Unit

The Ursula Frayne Unit provides public in-patient services for older people with mental health problems.

The 12-bed Unit has been established to service the inner Perth metropolitan area, and incorporates an in-patient rehabilitation and aged-care assessment service.

For referral information and enquiries please contact (08) 9370 9505 or fax referrals to (08) 9370 9601.

Echo Services - Cardio Vascular Services (CVS)

Located at Suite 8, Level 1 of the Mercy Medical Centre. Echo Services (CVS) provide both inpatient and outpatient non-invasive cardiology services. These services include; ECG's, Echocardiography, Stress Testing, Holter and Ambulatory Blood Pressure Monitoring. Dr Paul Langton, Dr Pasko Dedic (Consultant Cardiologists) and Dr Patrice Mwipatayi (Vascular and Endovascular Surgeon) consult regularly from the Echo Services (CVS) Specialist Suite.

For all appointment bookings and information: Telephone **1300 887 997**

GP After Hours Clinic

Mercy Hospital Mount Lawley supports the provision of this community service by providing accommodation for the After Hours GP Services. Managed and run by local family Doctors, the clinic operates from Suite 11, Level 1 of the Mercy Medical Centre.

| Dr Lorenzo Tarquinio | (08) 9271 2148 |
| Dr Luca Crostella | (08) 9370 9459 |

Suite 5, Level 2, Mercy Medical Centre, Ellesmere Road,
Mount Lawley WA 6050

Mercy Memory Service and Mercy Memory Clinic

There are two special public-patient clinics based at the Mercy Restorative Unit for people with suspected memory disorders. Both clinics predominantly cater for older people.

The Mercy Memory Service is designed to assess people with more clear-cut memory disorders, many of whom have Alzheimer's Disease. This service is available to patients living in the Inner-city Region catchment area. The patients are comprehensively assessed and managed with services.

The Mercy Memory Clinic is designed to assess people with mild cognitive problems and is run in conjunction with the Inner-city Mental Health Service for Older Adults. These patients often require full psychosocial, medical, psychiatric and neuropsychological assessments. This is a state-wide service for public patients. It is important that patients attending these clinics are accompanied by the next of kin or carer.

Appointments for the Mercy Memory Service are made through ACAT Referral, and the Mercy Memory Clinic is made through Doctor's letter/referral.

For referral information and enquiries please contact (08) **9370 9900**.

Mercy Pharmacy

Located on the ground floor of the Mercy Medical Centre, Mercy Pharmacy offers a service to Hospital inpatients and members of the public. Choose from a wide range of pharmaceutical items, mother and baby care, personal items and equipment hire.

| | |
|-----------|-----------------|
| Telephone | (08) 9371 9119 |
| Manager | Mr Branko Novak |

Mercy Physiotherapy

Mercy Physiotherapy provides services to all inpatients during their stay at Mercy Hospital Mount Lawley. The team also provide outpatient services to enhance post operative rehabilitation. These services include Hydrotherapy, Postnatal Recovery, Women's Health, Arthritis Management, Orthopaedic Rehabilitation and BabySwim Classes.

| | |
|-----------|----------------|
| Telephone | (08) 9271 9422 |
|-----------|----------------|

SKG Radiology

The SKG Radiology team at Mercy Hospital Mount Lawley provide the highest standards of clinical service and diagnostic expertise to referring Doctors. Patients are given the best care with a commitment to providing a high level of patient service and clinical quality.

SKG Radiology Mercy Hospital is a comprehensive branch offering General X-ray, Dental X-ray (OPG), Ultrasound, Doppler, Fine Needle Aspiration Biopsy, Fluoroscopy, Interventional Radiology, Mammography and Multislice CT.

Mercy Hospital Mount Lawley, Thirlmere Road, Mount Lawley WA 6050

| | |
|-----------|----------------|
| Telephone | (08) 9370 5011 |
| Facsimile | (08) 9272 4255 |

Urology Services

Mercy Urologists provide a comprehensive urology service including Flexicystoscopy, Fibre-Optic Ureteroscopy and Lasertripsy, Prostrate Biopsy and Urodynamics.

A 24-hour on-call emergency Direct Urology Admission Referral Service is available. Please telephone the Hospital's duty Clinical Nurse Manager on (08) 9370 9222 and ask for the on-call Urologist.

Direct Admission Service

A 24-hour Direct Admission Referral Service is available for Medical and Urology patients. Please call the duty Clinical Nurse Manager on (08) 9370 9222 and ask for the on-call Physician or Urologist at any time you would like advice about a patient.

GP Admissions

Formal accreditation is a requirement for GPs wishing to admit patients under their care to the Hospital.

GPs should be aware that the Hospital is unable to accept Care Awaiting Placement patients as the facility is not equipped for the special care needs of patients with dementia.

GPs will need to be available to provide 24-hour cover for their admitted patients. A 24-hour phone contact is needed (not a locum service) and admitted patients must to be reviewed as appropriate.

All GP admissions are coordinated through the duty Clinical Nurse Manager on (08) 9370 9222.

Mercy Medical Centre

The Mercy Medical Centre supports the Hospital with medical consulting rooms, a retail pharmacy and GP After Hours clinic. With free and easy visitor parking at the rear of the building, just off Ellesmere Road, the centre provides its visitors with both convenience and accessibility.

Referrals

The Specialists listed in this directory are accredited to Mercy Hospital Mount Lawley. All Mercy Specialists would be pleased to accept private patient referrals.

For further or updated information on the Specialists accredited to Mercy Hospital Mount Lawley please call (08) 9370 9222 or visit our website www.mercycare.com.au/hospital.asp

GP Education

As our ongoing commitment to General Practitioners, Mercy Hospital Mount Lawley is dedicated to providing quality GP Education Seminars that run throughout the year in the Mercy Conference Centre.

Our 'Mercy Meets' GP Seminars bring Mercy Specialists and General Practitioners together to participate in the sharing of knowledge and information.

The Mercy Meets GP Seminars cover a range of speciality areas, including General Medicine, Renal Medicine, Obstetrics & Gynaecology, Orthopaedics, Plastics, Paediatrics and Urology.

The seminars are held from 6.30pm-8.30pm and allow time for GPs to discuss issues one on one with the Specialists, as well as provide a more formal learning opportunity to further develop skills in high profile speciality areas, offering real-life application of knowledge and case discussion.

For further information on up and coming seminars please visit www.mercycare.com.au/hospital_doctors_gp.asp or telephone (08) 9370 9294.

Mercy Conference Centre

Located on the first floor of the Ursula Frayne Unit the Centre can cater for a maximum group of 120 people. Smaller areas which can accommodate 10-45 people are also available through the hire of Seminar Room 1 or 2 within the centre. With sweeping views of the Swan River and Perth CBD, the Mercy Conference Centre is suitable for business, cocktail and educational functions.

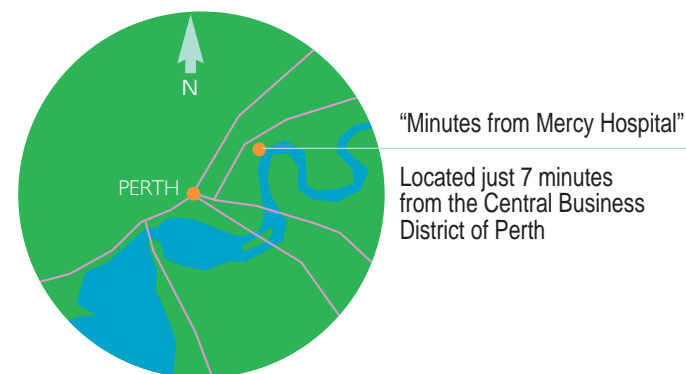

The facility is not available for non-hospital related functions during weekday office hours and is a non-smoking venue. Initial enquiries and venue inspections should be made by contacting (08) 9370 9676. All functions must uphold the Mission and Values of the MercyCare.

Mercy Hospital Mount Lawley

Mercy Hospital Mount Lawley was founded in 1937 by the Sisters of Mercy who hold a high profile throughout the world as health-care providers and today the Hospital is proud of its quality facilities and services.

The Hospital is licensed to accommodate 244 patients and is situated on the banks of the beautiful Swan River five kilometres from the Central Business District of Perth. It is easily accessible from the Graham Farmer, Mitchell and Kwinana Freeways.

On-site motel accommodation is available for family and friends of patients.

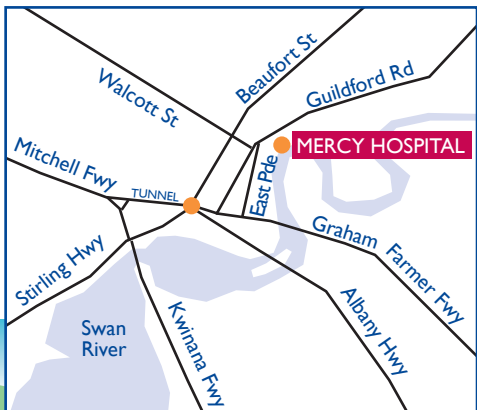

Mercy Hospital Mount Lawley is a member of MercyCare Ltd.

Members of MercyCare Ltd include:

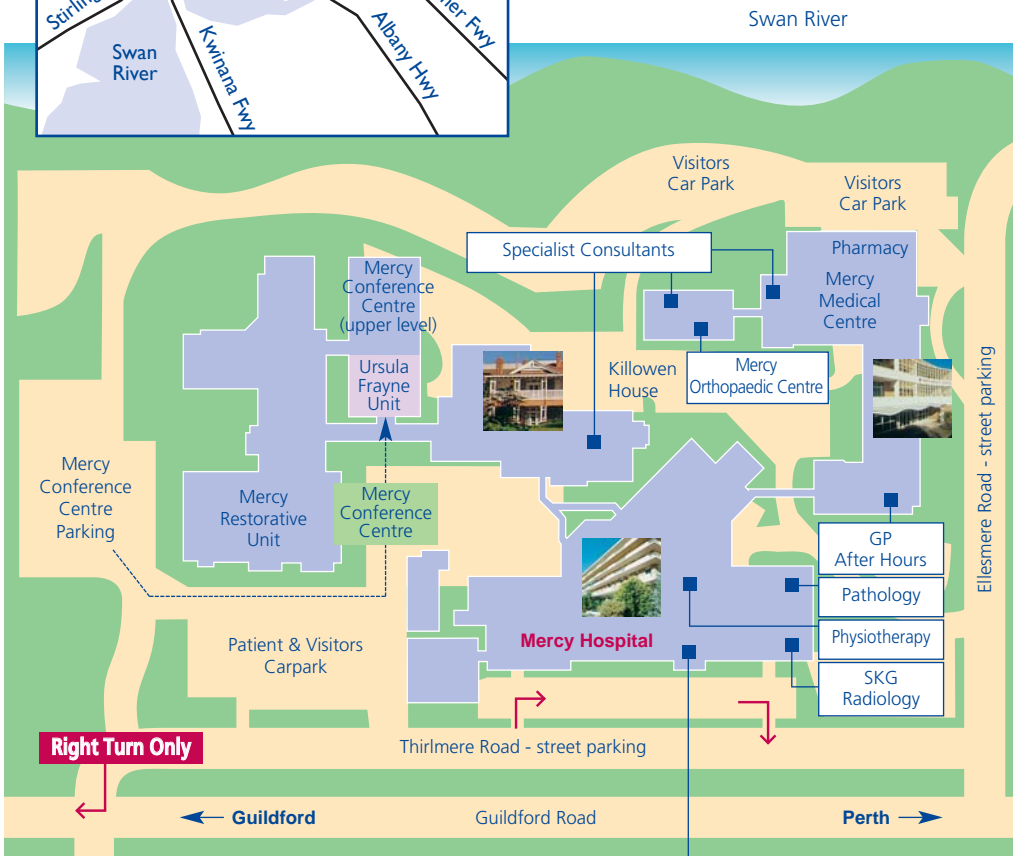

Mercy Hospital Mount Lawley
Mercy Aged Care
Mercy Education
Mercy Family and Community Services
