

ABOUT

The School Readiness Program is an educational, fun way to get your child ready for school. Offered two days a week, your child will be gently introduced to what a typical day at school will be like, including daily routines, transitions between subjects and collaborating and working in groups.

Our program's holistic approach is designed and delivered by our Early Childhood Teacher and gives children the opportunity to build their confidence, resilience and independence to take the next step in their learning journey.

Every

School Readiness Program

Aged 3+

Early Learning Centre Bedford

Every person **matters**

Our program is guided by the five principles and practices of the Early Years Learning Framework.

The program links to the WA Education Curriculum and provides children with the required skills and knowledge that lay the foundation for success in formal schooling.

What will your child experience at our school readiness program?

- They will be lead by an Early Childhood Teacher who sets the day's activities.
- They will be introduced to subjects such as literacy, numeracy, maths, science and health.
- There will be a focus on group projects and activities, where they will learn extensive social skills and how to work collaboratively together.
- A supportive learning environment, where they will learn to be resilient and try new things.
- We provide experiences that will develop their self help skills, promote independence and responsibility.
- It will be a structured day from 9.00am -3.00pm.

We provide an environment specifically designed to introduce 3-4 years olds to intentional teaching while supporting our play based approach. We look at each child to support them to be successful learners in all areas of their development.

You will receive updates in real time from our team through our app Xplor. Our Early Childhood Teacher also provides transition reports for entry into Kindergarten.

What to bring:

- Wide brimmed hat
- Bag
- Drink Bottle
- Piece of fruit
- Change of clothes

Cost: \$80 per day

You may also be entitled to the Child Care Subsidy through the Government

Days: Wednesday and Friday

Time: 9.00am - 3.00pm

Closed school holidays and public holidays

For children that require longer care on these days we also offer Before and After School Care services.
