Home Care Package Fees

Care Management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan.

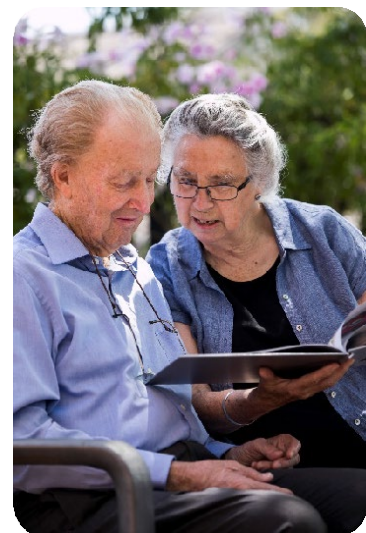

At MercyCare, you will have a dedicated Support Advisor, who will advocate for your choices and preferences and always act in accordance with your best interest. Our team will spend time with you to understand your needs and preferences and ensure your services are tailored, flexible and personalised.

The hours of care management indicated below are a guide only. If you require more care management than the hours indicated there will be no additional cost to you.

Package Management includes activities that ensure the smooth delivery of your Home Care Package, such as monthly statements and quality assurance.
